ALL ENTRIES HEREIN ARE PRELIMINARY AND SUBJECT TO CHANGE UPON RECEIPT OF NEW OR CORRECTED INFORMATION. DATA ARE FOR OFFICIAL USE ONLY.

Approximately 9AM: Construction worker, Richard Knowles, pilot West 4 Street and LaGuardia Place at construction site reports 767 hit 80<sup>th</sup> [REDACTED] Richard Knowles)

Per AEA-505 NY AFSS advised Richard [REDACTED] called to report incident. F. Schurat AEA-700 advised.

AAL77 IAD-LAX York lost over Indian @ 350

[REDACTED]

AAT Command Center

UAL175 North New Jersey - Ghost Target

09:20 ZNY-ATC-Zero

AAL-11 confirmed Boston

09:25 Data-radar data dump: AAL11 McCormick confirmed hit  
AAL77 Lost at 9:25AM York Kentucky  
UAL175 Possible IAD arrival at IGN

09:30 UAL175 Ron Ruggieri advises nothing from Newark

09:34 Moving VFR away possible Military IAD no knowledge possible National (DCA) hotline activation

09:35 Maybe not AAL11 into WTC per McCormick

09:35 DCA notified check Hotline activated; primary 3 miles south, now 1 mile

09:40 UAL175 501 confirmed from Canoles out of BOS

09:40 Flight hitting west side of Pentagon by VFR

09:42 DAL1989 Boston to LAX on ground hijack

UAL93 Bomb threat airborne ZOB reported by ZBW from EWR

09:43 East Moving VFR to White House per John Hendershod IAD OM 6 miles SW

09:44 IAD grounding aircraft getting airborne aircraft on ground

09:45 A1 movement times requested (Florida)

09:47 UAL93 descending in ZOB airspace south of Akron, OH

09:50 DAL1989 Hijack BOS-LAX near DRIER VOR B767

09:52 PIT evacuation of tower

09:55 All commercial traffic on ground in Washington Area BWI/DCA/ADW/IAD

09:56 AEA-500 attempting to contact facilities

09:57 N90 update 1203Z POU VFR 160 southbound headed to WTC

09:58 UAL93 heading SE to Washington Area

DAL1989 landing at CLE

10:01 East southeast PIT 40 miles squawking 7500 UAL93 North

10:01 Possible another hijack

10:03 Aircraft destined for USA diverting to Canada overflight; domestic stop

10:05 Telcon with Manager/National Emergency

10:05 Evacuate White House, Pentagon

10:06 N90 Evacuation leaving 5 controllers in each area

10:06 AEA-501 decides to retain essential personnel only but Managers may need to recall

10:08 ZOB - lost radar with UAL93 near Johnstown (JST), PA

10:09 Check with TEB to broadcast on frequency 243.0, good to go, TEB to broadcast on ground

10:10 Called IAD - no radar

10:11 UAL93 heading to Washington

(b) (6) call Sabra for reliever airports (no connection)

10:14 60 miles northwest of DCA fast moving

10:15 UAL93 is down confirmed 40 Southeast JST, Sommerset, PA

10:16 Fast westbound to Boston 16,000 reported by ZNY McCormick

10:18 A1 airborne

10:19 McCormick reported

10:20 IAG Full ATCT evacuation

10:21 DAL1989 on ground at CLE

10:22 Sikorski Helicopter

10:25 NOTAM issued: Washington area airports closed

Bob Brickley, IAD Support Spec. line into IAD

10:27 Brickley advises that DCA AFSS all airports in USA closed

10:30 TEB Medevac only - WTC collapses

10:35 Military aircraft

10:37 DAL1989 flaps up at CLE on ground

10:40 AAL77 ZKC airspace airborne

10:44 Request PHL open for landing

10:46 Per AEA-500 no aircraft except Military, Medevac and N4

10:50 N2 Leaving DCA cleared to MSY

10:51 ZBW FDIO-ATC-Zero per IAD (Boston ARTCC)

10:52 AT conference bridge 9964 (McCartney for AT facilities)

10:54 TFR issued establishing 5 mile radius of WTC

10:57 N4 inbound DCA is cleared to land, Attorney General, ETA Noon, communications problems, destination ADW, diverted DCA

10:58 CLE ARTCC small plane - evacuating

10:59 AAL77 down Ashland, KY unconfirmed

11:05 5 Medevac Helo's military refusing

11:06 N4 changing destination to DCA, we advised Canoles

11:11 per 500 IAD to relay for DCA, Security requesting General Kavinidy (ACS-1) to be picked up in Puerto Rico. FAA Hangar 6 wants to send to Puerto Rico, Hangar 6 to contact Pete Challan, Brickley to relay.

11:14 BWI staffing adequate - SWAP

Law enforcement has not entered DAL1989.

11:14 ORF Coast Guard; 3 distress calls reported, per Guy White

UAL947, AC065, COA57 flight plans not stored

11:15 AEA-505 Ruggeri calling Military

11:16 SCATANA Procedures for ANE/AEA by Military -Military will confirm

11:17 DAL1989 confirm Hijacking from AEA-700 (Arros) Security off tactical net ATCT talking to aircraft

11:20 LAX diverting to Ontario per Lee Connor, Security

11:21 DCA a lot of Military

11:22 JFK evacuated per Port Authority reported by George Dodelin, cell (b) (6) for Dodelin

11:23 DAL1989 taxiing to gate at CLE

11:24 AAL77 ZID no wreckage Ashland, KY

11:25 Ruth Marlin NATCA VP, Bob Tobin and Bill Peacock coming from MSY

UAL23, Terminal 7, Gate 2; 3 Arabs refusing to get off plane at JFK

11:27 N4 15 minutes out of DCA per ASDI

11:28 Fighter escort for N4 into DCA (b) (6) ATS NET

11:30 N4 75 miles from IAD

11:31 Reference 11:14 AM ORF : additional information; aircraft reporting from Consat Air Station, ALA877, COA51 these 2 aircraft getting the highest number of calls

11:34 General Kanivan Departed 11:30AM R108/680 Puerto Rico, West Palm Beach to Andrews

11:35 3 Medevacs Helicopters BDL to NYC; 5 TEB Medevacs

11:38 N4 escort? 65 west IAD; Quid26 N4 Holding (waiting escort)  
 11:39 PAT108 Citation San Juan 60180 tail # to West Palm Beach to ADW; General Kanivan on board  
 11:40 Pentagon requesting to take ATC operation, Canoles no knowledge, NMCC LTC Buckna: (b)(6)  
 (b)(6) per Canoles dealing with military request.  
 11:46 N4 circling waiting for escort Life flights, each flight individually, case by case bases (parts) with Military, require Beacon codes. ZNY request release personnel – case by case basis. N4 28 West IAD heading DCA

 PIT Advised.  
 22:20 ZNY faxing rough transcripts on UAL and AAL  
 23:00 AEA-1 decided that the Regional Office will be closed 9/12, AAT-20 advised.

- 23:15 CKB Data unable to transmit, disk being driven to PIT ETA approximately 9/12/01 12:45  
Pelkowski notified of disk coming. AAT-20 Jeff Logue advised.
- 23:26 Bill Buck asked about planes in P56, Jim Slate said Secret Service aware, military fighter without  
transponder. Relayed back to Bill Buck.
- 23:30 ZNY McCormick advised that local police are at Long Island radar sites.
- 23:32 No data to be released to anyone but Dave Canoles per AAT-20

# SEPTEMBER 12, 2001

- 00:01 12 September 2001
- 00:07 Aircraft over Fredericksburg, VA? (inquiry). RIC, IAD, DCA show nothing
- 00:32 HDQ CMD Center - 253 flights landed in Canada  
requesting US Airports, JFK, EWR, ATL, CHI, SFC, DET, DAL, MIA
- 00:38 From Rick inquiry to Bob Napurano - 253 flights in Canada - when does PONYA anticipate to be  
open for operations?
- 00:56 HDQ CMC inquiry. How many flights have been authorized outside of those specifically  
identified, DOT, DOD, LAW, LIFE i.e. response teams using other than Lifeguard Callsigns.  
AEA has none, so far.
- 01:17 Inquiry to HDQ CMC from FEMA. Any priority being considered for FEMA Response  
Personnel on Airlines when they start to fly tomorrow? CMC advised FEMA to make inquiry  
direct to the Airlines.
- 01:33 Inquiry from SYR - Local LAW Patrol - Air 01 - need Code from ZBW  
Coordinating numl [REDACTED] for ZBW
- 01:47 Active Air Defense Scramble off Langley
- 01:53 HDQ CMC needed assistance of FBI Agent - AEA CMC had one sitting in - problem was  
requests coming in for FAA Tape info from Local FBI Offices.
- 01:56 AEA FBI Agent informed Local FBI Office of procedure to put all requests through AAT-20 [REDACTED] gh2; High  
[REDACTED] gh
- 02:01 Request from Linden NJ Airport to land Airforce Flight from Dobbins AFB, also requesting  
ground support, transportation etc. Mike Sammartino advised unable to validate time or flight, we  
have no knowledge of active flight at this time.
- 02:13 Request coordinated through HDQ CMC from NY FBI Office for copy of All voice tapes of ATC  
Communications on all four Aircraft AA 11 BOS (T), ZBW UA 175 BOS (T), ZBW, ZNY  
UA 93 EWR (T), N90, ZNY; ZOB AA 77 IAD, DCA, ZDC, ZID
- 02:25 All Facilities notified of above request
- 02:27 DCA advised a REACH FLT over Ohio requesting to land ADW is being diverted to DOV - Info  
is one of the Cabinet Sect is aboard.
- 02:32 Port of New York Authority (PONYA) advised that no estimate of opening times can be given  
until after morning coordination meeting at 6 AM local.
- 02:40 Rick advised IAD call in someone on OT to assist with above Tape request. One problem is tape  
is locked up in secure cabinet.
- 02:40 HDQ CMC advised National Alert from FBI in Miami for two vehicles - a 1989 Red Pontiac 2  
Door and a 2001 Olds Tan 4 door.
- 02:43 HDQ CMC Expecting National Security Plan for Aviation by 4 AM. Administrator and Staff to  
meet at 8 AM on Plan. Operational brief to follow at 9 AM.
- 02:55 Police Sgt from NY reported Cell Phone report of Commercial A/C heading east toward the  
Hudson River.
- 03:00 ALB (T) states a C-17 arrived.
- 03:01 M. Grant saved info Sept 11 Chronological (Log) to new disk 911 Disk 2 and also to "C" Drive.
- 03:30 RIC reported fast moving primary target in its airspace.
- 03:32 Target later identified as a tanker aircraft which had inoperative transponder
- 03:56 IAD reported slow moving primary target vicinity of Casanova.
- 04:13 Per TV News Release two numbers for checking on or reporting casualty in NYC,  
866-856-4167 NY Autotorium, NYPI [REDACTED]

04:20 IAD reports attempt to provide requested voice tape failed – recorder OTS. EWR reports requested tape is locked up in safe.

04:31 HDQ CMC requested what facility staffing we expected this morning. Rick advised approaching normal. AEA would update after morning roundup approx. 5:30 AM.

04:40 Mike Sammartino gave all facilities on Conference phone heads up that a Facility Manning roundup would start approx. 5 AM.

05:06 RIC reports Guard Helo (2 engine) M26032 setting helo on ground. Loss of one engine at location approx. 45 miles south of Washington near Dalhgren, VA.

05:13 Report of aircraft in vicinity of Reading.

05:35 HDQ CMC states RADAR Data from Clarksburg on yesterday's events was secondary radar only. HDQ requests the RADAR Data in Primary. AEA-500 advised AF of HDQ Needs.

05:45 A need for Critical Stress Team Intervention at several facilities (i.e. Dulles) suggestion from AEA-500 to HDQ CMC.

05:51 Carmine called in from TMU Command Center (Herndon) and advises TelCon with Users at approx. 08:30 local.

06:10 Chronology faxed to AAT-20 and Canol (b) (6) (b) (7) (C) (b) (7) (D)

06:10 ZBW voice disks received for AAL11 and UAL175 by AEA-504 (Hayes) being copied

06:22 Per Hdqtrs, sites now A1 must coordinate with the Disaster Commander to provide sterile area. FDC NTMS 1/9751 (NY Area) and 1/9751 (PIT site)

06:24 ZDC AAL77 voice outbound on FTP site; no inbound.
